Thank you for your interest in our services. This price guide is designed to be just that. A guide to the most common products we are asked about. It is by no means a comprehensive list of what we offer as we pride ourselves in providing our customers with a solution to all their print requirements. If the item you are looking for is not shown, please do not hesitate to contact us for a prompt, free no obligation quotation. We believe in transparent pricing which means, other the VAT where applicable, our prices are all inclusive. There are no delivery charges, artwork charges, design charges, disk checking charges if you supply artwork etc, etc.

We look forward to being of service.

These really are the "bees knees" and offer superior quality at fantastic prices. Printed on 400gsm silk artboard, in full colour one side, they give your company a quality image right from first contact.

500	-	£ 81.00	"
1,000	-	£ 94.00	"

Business Cards

Need to order more than one name? No problem, simply add up the totals for the different names and deduct £ 25.00 per additional name. e.g. order 500 Joe Bloggs, 500 Jill Bloggs & 250 James Bloggs and pay - £ 81 + £ 81 + £ 71 = £ 233 less £ 50 (£25x2) = £ 183.00 plus VAT.

Planning a sales drive or trade show and need larger quantities at a price that allows you to hand them out at every opportunity and not worry about cost? Why not try our double sided cards. Printed on 350gsm gloss artboard, in full colour both sides, these can be used as business cards or mini marketing postcards.

5,000	-	£ 155.00	Plus VAT
10,000	-	£ 200.00	" * that's just 2 pence each! *

Or as above but with a high gloss UV varnish both sides.

5,000	-	£ 175.00	Plus VAT
10,000	-	£ 240.00	"

Letterheads (1 col)

Letterheads, along with business cards, are often the first point of contact your potential customers will have with your company. A well designed, well printed letterhead gives your company a professional image and maybe the edge over the competition when quoting for new business. Faced with two similarly priced quotes, most of us would plump for the more professional "looking" of the two.

Printed on 100gsm good quality paper in one colour.

<i>500</i>	<i>-</i>	<i>£ 91.00</i>	<i>Plus VAT</i>
<i>1,000</i>	<i>-</i>	<i>£ 99.00</i>	<i>"</i>
<i>2,000</i>	<i>-</i>	<i>£ 123.00</i>	<i>"</i>
<i>5,000</i>	<i>-</i>	<i>£ 205.00</i>	<i>"</i>
<i>10,000</i>	<i>-</i>	<i>£ 260.00</i>	<i>"</i>

Why not really go to town with fantastic full colour letterheads? The image that these project for your company will repay the cost over and over again. Turn your letterhead into more than just a piece of paper - let it work for you as a sales tool. List your products, or better still, with full colour you can add pictures of some of your best selling products.

With just a little bit of thought and our knowledge of printing, a leaflet can be turned into much more than just a sheet of nicely printed paper! All too often you are offered A5 folded to A6 or A4 folded to 1/3 A4 but take this guide - we designed it to come out of one sheet of A3, which we then cut, collate and make into a 12pp almost square booklet. It could have been an A3 folded to A4 but that's just too normal!!! Even an A4 leaflet can be made exciting with just a little creative tweak!

Our business stationery pack is designed with new businesses in mind, but with this offer (which is quite frankly ludicrous!) any business can benefit. The packs consist of equal quantities of business cards & letterheads plus either 5,000 A6 marketing postcards or 5,000 A5 leaflets all printed in glorious full colour to really get your new business off to a flying start.

No logo? - No problem! We'll come up with a few ideas for you and work with you until we get it right - at NO EXTRA COST.
